 - (d) invite the making, in writing, of observations in relation to the proposed works; and
 - (e) specify—

- (3) For the purpose of sub-paragraph (2)(b) it shall be assumed that there is a connection between a person and the landlord—
- (a) where the landlord is a company, if the person, or is to be, a director or manager of the company or is a close relative of any such director or manager;
 - (b) where the landlord is a company, and the person is a partner in a partnership, if any partner in that partnership is, or is to be, a director or manager of the company or is a close relative of any such director or manager;
 - (c) where both the landlord and the person are companies, if any director or manager of one company is, or is to be, a director or manager of the other company;
 - (d) where the person is a company, if the landlord is a director or manager of the company or is a close relative of any such director or manager; or
 - (e) where the person is a company and the landlord is a partner in a partnership, if any partner in that partnership is a director or manager of the company or is a close relative of any such director or manager.
- (4) Where, as regards each tenant's unit of occupation, it is reasonably practicable for the landlord to estimate the amount of the relevant contribution to be incurred by the tenant attributable to the works to which the proposed contract relates, that estimated amount shall be specified in the statement.
- (5) Where—
- (a) it is not reasonably practicable for the landlord to make the estimate mentioned in sub-paragraph (4); and

- that cost or rate shall be specified in the statement.
- (7) Where it is not reasonably practicable for the landlord to make the estimate mentioned in sub-paragraph (6)(b), the reasons why he cannot comply and the date by which he expects to be able to provide an estimated amount, cost or rate shall be specified in the statement.
- (8) Where the landlord has received observations to which (in accordance with paragraph 3) he is required to have regard, the statement shall summarise the observations and set out his response to them.

Notification of proposed contract

Supplementary information

7. Where a statement prepared under paragraph 4 sets out the landlord's reasons for being unable to comply with sub-paragraph (6) of that paragraph, the landlord shall, within 21 days of receiving sufficient information to enable him to estimate the amount, cost or rate referred to in sub-paragraph (4), (5) or (6) of that paragraph, give notice in writing of the estimated amount, cost or rate (as the case may be)—

- (a) to each tenant; and
- (b) where a recognised tenants' association represents some or all of the tenants, to the association.

9.—(1) Where a notice under paragraph 1 specifies a place and hours for inspection—

- (a) the place and hours so specified must be reasonable; and
- (b) a description of the proposed works must be available for inspection, free of charge, at that place and during those hours.

(2) If facilities to enable copies to be taken are not made available at the times at which the description may be inspected, the landlord shall provide to any tenant, on request and free of charge, a copy of the description.

Duty to have regard to observations in relation to proposed works

(3) Where, within the relevant period, a single nomination is made by more than one tenant (whether or not a nomination is made by a recognised tenants' association), the landlord shall try to obtain an estimate—

- (a) from the person who received the most nominations; or
- (b) if there is no such person, but two (or more) persons received the same number of nominations, being a number in excess of the nominations received by any other person, from one of those two (or more) persons; or
- (c) in any other case, from any nominated person.

(4) Where, within the relevant period, more than one nomination is made by any tenant and more than one nomination is made by a recognised tenants' association, the landlord shall try to obtain an estimate—

- (c) make all of the estimates available for inspection.

(6) At least one of the estimates must be that of a person wholly unconnected with the landlord.

(7) For the purpose of paragraph (6), it shall be assumed that there is a connection between a person and the landlord—

- (a) where the landlord is a company, if the person is, or is to be, a director or manager of the company or is a close relative of any such director or manager;

(8) Where the landlord has obtained an estimate from a nominated person, that estimate must be one of those to which the paragraph (b) statement relates.

(9) The paragraph (b) statement shall be supplied to, and the estimates made available for inspection by—

(3) Paragraph 2 shall apply to a statement made available for inspection under this paragraph as it applies to a description of proposed works made available for inspection under that paragraph.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations, which apply only in relation to England, relate to the amount that tenants can be required to contribute, by the payment of service charges, to relevant costs incurred by landlords in carrying out works or under certain agreements. Unless a landlord complies with prescribed consultation requirements or obtains a dispensation from a leasehold valuation tribunal under section 20(9) of the Landlord and Tenant Act 1985 in respect of all or any of those requirements, his tenants' contributions by way of service charges are limited.

Regulation 3(1) exempts from the consultation requirements applicable to agreements for a term of more than 12 months ("qualifying long term agreements"):

- (a) contracts of employment;
- (b) agreements between a tenant management organisation or an arms length management organisation (a body established under section 2 of the Local Government Act 2000) and a local housing authority under section 27 of the Housing Act 1985 (management agreements);
- (c) agreements between a holding company and any of its subsidiaries or between two or more subsidiaries of the same holding company; and
- (d) agreements for a term of not more than five years relating to buildings or other premises which are untenanted when the agreement is entered into.

Regulation 3(2) provides that an agreement entered into before the coming into force of these Regulations is not a qualifying long term agreement even if more than 12 months of the term of the agreement remain when these Regulations come into force.

Regulation 3(3) provides that an agreement for a term of more than 12 months is not a qualifying long term agreement if it provides for the carrying out of works on a building or any other premises ("qualifying works") for which notice has been published in the Official Journal of the European Union ("the Official Journal") (to comply with EU procurement rules) before these Regulations come into force.

Regulation 4 imposes a limit of £100 in any accounting period (defined in regulation 4(2)) in respect of service charges attributable to the provision of goods or services, or the carrying out of works, under a qualifying long term agreement. That limit will apply unless the landlord complies with the consultation requirements prescribed by regulation 5 or obtains a dispensation from a leasehold valuation tribunal in respect of all or any of those requirements.

Regulation 5 deals with the consultation requirements applicable to qualifying long term agreements. Except in the cases mentioned below, the consultation requirements are those specified in Schedule 1. Where, on or after the coming into force of these Regulations, notice is required to be published in the Official Journal (to comply with EU procurement rules) of goods or services to be provided or works to be carried out under the agreement, the consultation requirements are those set out in Schedule 2. Where a person becomes a tenant as the result of exercising the right to be granted a long lease under section 138 of the Housing Act 1985 (right to buy) (including that section as applied in relation to the preserved right to buy under section 171A of that Act or the right to acquire under section 16 of the Housing Act 1996) the landlord is only required to comply with such of the consultation requirements applicable to the agreement as remain to be complied with after the thirtieth day of that person's tenancy.

Regulation 6 imposes a limit of £250 as regards a tenant's contribution in respect of service charges attributable to qualifying works. That limit will apply unless the landlord complies with the consultation requirements prescribed by regulation 7 or obtains a dispensation from a leasehold valuation tribunal in respect of all or any of those requirements.

Regulation 7 deals with the consultation requirements relevant to qualifying works of the descriptions specified in that regulation. In relation to other qualifying works, the consultation requirements under section 20 of the Landlord and Tenant Act 1985, as it stood immediately before the substitution effected by section 151 of the Commonhold and Leasehold Reform Act 2002, continue to apply by virtue of article 3 of the Commonhold and Leasehold Reform Act 2002 (Commencement No.2 and Savings)(England) Order 2003 (S.I. 2003/1986 (c.82)).

Paragraph (1) of regulation 7 relates to qualifying works that are the subject of a qualifying long term agreement. Subject to the exception for which paragraph (5) provides (“the paragraph (5) exception”), the consultation requirements are those set out in Schedule 3 to the Regulations.

Paragraphs (2) to (4) relate to qualifying works that are not the subject of a qualifying long term agreement.

Paragraph (2) deals with the consultation requirements in a case to which paragraph (3) applies. Subject to the paragraph (5) exception, the consultation requirements in such a case are those set out in Schedule 3 (the same requirements as apply to qualifying works under qualifying long term agreements).

Paragraph (3) applies where qualifying works are carried out:

- (a) on or after the date that falls two months after the date on which these Regulations come into force under an agreement entered into before these Regulations come into force; or
- (b) under an agreement for more than 12 months where notice of those works was published in the Official Journal before these Regulations come into force .

Paragraph (4) applies to cases to which paragraph (3) does not apply. Where notice of the qualifying works is required to be published in the Official Journal (to comply with EU procurement rules), and subject to the paragraph (5) exception, the consultation requirements are those set out in Part 1 of Schedule 4. Where notice is not required to be published in the Official Journal, and subject to the paragraph (5) exception, the consultation requirements are those set out in Part 2 of Schedule 4.

The paragraph (5) exception applies where a person becomes a tenant as the result of exercising the right to be granted a long lease under section 138 of the Housing Act 1985 (including that section as applied in relation to the preserved right to buy under section 171A of that Act or the right to acquire under section 16 of the Housing Act 1996). In that case, and in relation to that person and particular qualifying works, the landlord is only required to comply with such of the consultation requirements applicable to those works as remain to be complied with after the thirtieth day of that person’s tenancy.
